MIDDLE PENINSULA CHESAPEAKE BAY PUBLIC ACCESS AUTHORITY  
MINUTES

April 9, 2010  
Middle Peninsula Planning District Commission  
Saluda, Virginia

1. Welcome and Introductions
The Middle Peninsula Chesapeake Bay Public Access Authority held its meeting in the Middle Peninsula Planning District Commission Board Room in Saluda, Virginia, at 11 a.m. on April 9, 2010.

Chairman Pleva called the meeting to order. Members and Alternates present were Louise Theberge, Gloucester County Board of Supervisors; Terri E. Hale, King William County Assistant County Administrator; Trent Funkhouser, West Point Town Manger; Janet Smith, Town of Urbanna and David Whitlow, Essex County Administrator. Also present were Lewis Lawrence, Director of Regional Planning MPPDC; and Jackie Rickards, Regional Projects Planner I.

2. Approval of February 2009 Minutes
Chairman Pleva requested a motion to approve the February 2010 minutes. Mr. Whitlow moved that the minutes be approved. Mrs. Theberge seconded the motion. Motion carried by unanimous vote.

3. Financial Report
Chairman Pleva requested a motion to approve the February 2010 Revenue and Expenditure Report. Mrs. Theberge moved that the Report be approved. Mr. Whitlow seconded the motion. Motion carried by unanimous vote.

4. Public Comment
None

5. Shallow Water Dredging Master Plan Discussion – Section 22/Planning Assistance Program and Review of Middle Peninsula Issues
Shallow water dredging and regional sediment management planning was discussed. Alternative project concepts, possible project partners, project issues, benefits and concerns were also discussed. Staff will again issue an opportunity to partner to Middlesex County with a reply date of June 30th.

6. Working Waterfront Special Area Master Plan – Virginia Coastal Program
Mr. Lawrence explained that the Virginia Coastal Zone Management Program is currently working on their annual assessment and they have held a variety of meetings to define the scope of their coastal issues to address. Through this process aquaculture, working waterfront, and public access projects were voted to receive approximately $50,000 per year for the next five years.

7. Mathews County Land Donation Update – Tom Robinson
Mr. Lawrence explained that in order to move forward in acquiring the Hall Parcel in Mathews County, Mr. Conrad Hall’s attorney must be notified. However Mr. Tom Robinson, the broker representing Mr. Hall, has informed the PAA that Mr. Hall has been busy recently and has not had the time to contact his lawyer with regards to this donation.
8. Brown Tract Timber Thinning
In early March, the Brown Tract was visited by Mike Budd, Private/Public Land Biologist with United States Department of Agriculture (USDA)/ Natural Resource Conservation Service (NRCS), to assess the suitability for Quail Management Projects. As a result the Virginia Department of Game and Inland Fisheries has sent the PAA an official Quail Management Assistance program Certification that recognizes our commitment to furthering quail and early-successional habitat restoration in Virginia. However, the PAA is still waiting to receive the actual Quail Management Recommendations to enhance the Brown Tract.

Additionally, the PAA has received a proposal from the Virginia Department of Forestry to coordinate the thinning of the Brown Tract. As a proper habitat management tool recognized by the PAA, the PAA discussed the implications of the thinning and agreed that clear cutting the mature pine would be most beneficial for the tract for several reasons: (1) a mature pine is highly susceptible to bark beetles therefore thinning would reduce this risk and (2) a profit could be made from thinning that could support future PAA goals.

9. Update on the Claim of a prescriptive ROW across the Haworth
Mr. Lawrence explained that Mr. Haworth is currently in the process of trading his parcel with a TNC tract of land. However according to TNC, the PAA should be receiving a letter from Mr. Haworth stating that he will be taking the PAA to court. To-date the PAA has not received the letter.

10. Update on King and Queen Sportsman Hunt Club obligation
In December 2009, the PAA contracted with the King and Queen Sportsman Hunt Club to plant habitat improvement cover crop in exchange for the Hunt Club to have extended non-exclusive hunting privileges on the Clay Tract. Therefore Mr. Lawrence reported that the Hunt Club did call the PAA last week to proceed with habitat improves, however further discussions about the details will need to take place.

11. Other Business – Change in PAA officer status
Due to Mr. Pleva’s departure from the PAA, the PAA elect new officers. Upon discussion Mr. Whitlow requested a motion effective May 1, 2010 that Lousie Therberge will be the Chairman and Trent Funkhouser will be vice chair. Mrs. Therberge seconded the motion. Motion carried by unanimous vote.

12. Chairman Observations
None

13. Next Meeting
The next meeting of the Middle Peninsula Chesapeake Bay Public Access Authority is scheduled for Friday, June 11, 2010 at 11:00pm.

14. Adjournment
Chairman Pleva requested a motion to adjourn the meeting. Mr. Whitlow moved that the motion be approve; Ms. Theberge, seconded the motion. Meeting was adjourned.
